**LEN LAO IN THE TOILS.**  
The jury in the fire inquest on the  
Winston block fire yesterday afternoon  
returned a verdict to the effect that  
the fire had been of incendiary origin  
but the identity of the person who had  
set fire to the place was unknown to  
the jury. The evidence was quite strong  
against Len Tao, the Chinese store-  
keeper, and at the end of the inquest,  
Deputy High Sheriff Chillingworth or-  
dered Len charged with arson in the  
first degree.

**DEATH DUE TO CARELESSNESS.**  
The coroner jury called last night to  
determine the cause of the death of

injured Friday night by being struck  
by an electric car, returned a verdict

from the effects of the injuries re-  
ceived by being struck by the car, said  
juries having been the result of care-  
lessness on the part of Parker.

**DE BOLT'S RULE**  
**FOR LAWYERS**

TELLS ATTORNEYS HOW -- BE-  
GIN THE TRIAL OF THEIR CASE  
—SCHOOL OF INSTRUCTION.

Judge De Bolt has made a new order  
for the opening of trials in his court.  
Many attorneys don't seem to know  
how to begin a trial, says the Judge,  
and a lot of time is lost, wherefore the  
following has been made an official or-  
der and posted at the entrance of the  
court:

**"NOTICE ATTORNEYS.**  
"To facilitate the business of the  
Court and to promote the administra-  
tion of justice, counsel for plaintiff,  
when the jury has been sworn, shall  
briefly and clearly state the cause of  
action, and the evidence by which he  
expects to sustain it. Counsel for de-  
fendant may in like manner state the  
defense, and the evidence he expects to  
offer in support thereof; but nothing in  
the nature of comments or argument  
shall be allowed in opening the case.  
It shall be optional with the counsel  
for defendant whether he states his  
case before or after the close of the  
plaintiff's testimony.  
"By Order of the Court:  
"P. D. KELLETT,  
"Clerk of First Judge."

"It is necessary for the court and  
jury to know what an attorney con-  
tends and is trying to prove," said the  
Judge. "In order that they may under-  
stand and apply the evidence put be-  
fore them. I have seen cases in which  
an attorney started and put on witness-  
es and introduced a lot of testimony  
before we could find out what he was  
getting at."

**CENSURED THE HOSPITAL.**

Coroner's Jury Expresses Indignation  
At Japanese Authorities.

The Japanese Hospital authorities  
were censured last night by a coroner's  
jury for failing to give prompt surgical  
aid to Oginio Risike, a Japanese stev-  
e-dore who was injured by being crushed  
by a roller at the Railway wharf the  
night previous.  
The Japanese had been moving a five  
ton roller to one side of a flat car. The  
weight overbalanced the car and the  
roller fell on the Jap. He was taken to  
the Japanese Hospital but according to  
the testimony of the police who accom-  
panied him, no surgeon appeared to  
attend the man for fully twenty min-  
utes. The Jap later died from his in-  
juries.

The following verdict was returned  
by the coroner's jury:

"That the said Oginio Risike came to  
his death in Honolulu, Island of Oahu,  
Territory of Hawaii, on the 21st day of  
September, 1903, from hemorrhage due  
to a lacerated wound caused by his leg  
being crushed by the accidental falling  
of a piece of machinery.  
"We further find from the evidence  
that proper medical attendance was  
not rendered the deceased person at  
the Japanese Hospital on Liliha street  
as soon as it was proper."  
(Signed, Charles F. Chillingworth,  
Coroner; F. P. McIntyre, W. G. Walk-  
er, E. N. G. Jackson, D. K. Vida, H.  
C. Mellett.)

**MRS. E. E. ENTERTAINED.**

The San Francisco Chronicle of Sep-  
tember 17 has the following:  
Another hostess who has made Mrs.  
M. M. Estee her guest of honor is Mrs.  
Philetus Everts, who yesterday enter-  
tained at luncheon at the Nordhoff.  
Her guests were nine in number and  
gathered with their hostess in a pretty  
private dining-room, whose paneled  
walls and dark green tapestry made an  
effective background to the dainty table  
with its decoration of fragrant red  
carnations and candles of the same  
rich shade. Over the cloth were scat-  
tered feathery sprays of maiden-hair  
ferns. The name cards were simple  
and unique, being of plain white, en-  
graved in old English, with a large  
silver E, the initial of the hostess and  
her guest of honor. It was an occasion  
when friends of long standing met in  
jolly good fellowship, encouraged by  
the cordial hospitality of their cordial  
hostess.

After luncheon was served Mrs. Ev-  
erts and her guests enjoyed an hour or  
two in her handsome apartments at 912  
Rush street, in which are many rare  
and beautiful articles collected in both  
the old and new world.  
Mrs. Everts' guests were: Mrs. M. M.  
Estee, Mrs. Charles Deering, Mrs. T.  
B. McFarland, Miss McFarland, Mrs.  
John Phillips, Mrs. Jerome Madden,  
Mrs. James Carolan and Mrs. William  
M. Somers.

**FOOTBALL SEASON.**

A four-team football league may be  
formed for the coming season accord-  
ing to the present outlook. The H. A.  
C's are said to have Jess Woods book-  
ed as coach, and the Maile Hlmas are  
canvassing the situation. Camp Mc-  
Kinley may also put in a team.

**JAPANESE WAS ROBBED.**

A Japanese servant employed by L.  
Ahlo on Liliha street reported to the  
police last night that he had been rob-  
bed of \$20 in cash and a gold watch.  
The articles had been taken from a  
trunk.

though it has not been definitely set-  
tled whether she is to be sent to that  
work.

Of the through passengers, Hon. C.  
Lytleton, C. B., is going to Auckland  
on business. He was for twenty, off

Prime Minister Gladstone.

Hon. M. L. Moss is a member of

**THE REJUVENATED**  
**STEAMSHIP CHINA**

ONE HUNDRED THOUSAND DOL-  
LARS HAS BEEN SPENT ON HER  
AND SHE IS AGAIN AL

SAN FRANCISCO, September 16.—  
More than \$100,000 has been expended  
in rejuvenating the Pacific Mail liner  
China, best known of the transpacific  
creamers, and before the coming of  
the Korea and Siberia, the fastest ves-  
sel on either the Pacific or Asiatic  
coasts. Some months ago, after hav-  
ing been constantly in the Oriental  
service for many years, without deten-  
tion, the China was taken off the  
route for an overhauling, and yester-  
day she was returned from the iron  
works to her old slip at the Mall dock,  
preparatory to again taking her place  
on the Hong Kong route, sailing on  
September 29th. Six new staterooms  
have been added to the China, new  
water ballast tanks have been pro-  
vided and other improvements have  
been made from stem to stern and  
from bridge to keel. It is said that  
the vessel is in better shape than ever  
before, and that her bottom is particu-  
larly improved. In the matter of  
speed the old China will be able to  
give the Korea and Siberia a hard rub,  
should occasion arise, and as for any-  
thing else on the Oriental route—but  
the Canadian Pacific liners and other  
crack liners long ago conceded the  
China's superiority. Captain D. E.  
Freile will command the China.

**AROUND OAHU YACHT RACE.**

An around Oahu race has been ar-  
ranged between the yachts Gladys, La  
Paloma, and Helene. The start is to  
be made Friday evening from the  
mouth of Pearl Harbor, then around  
Barber's Point, Kaena point and into  
Waialua harbor where a stay will be  
made for the remainder of the night,  
and until Sunday morning, when the  
start for Kahuku point and then  
around the island to Honolulu will be  
made. The distance is estimated at  
102 miles.

**I've Got Money**  
Working for me," is what every one  
should be able to say! You can say it  
if you use Sharwin-Williams mixed  
paints. How? You pay good money  
for the paint, but only as much as it  
is worth, and less than lead and oil  
would cost you. Then it starts to  
work for you.  
The S. W. P. protects your house and  
lasts twice as long as other cheap  
mixed paint would. It keeps wet and  
dry rot out of your porches, steps, and  
roofs and thus makes the money that  
you would otherwise have to spend in  
repairs. This is a hard climate on  
houses but with S. W. P. used, your  
repair bill will be reduced one half.  
Make money work for you by spend-  
ing a little of it for,
